

11th May 2017

Dear Parents/Carers,

KINGSFIELD UNIFORM

As promised, I am writing to you with an update regarding our uniform.

We have listened very carefully to your comments and concerns and have been very impressed with the pride and significance that you have placed upon the need for a smart uniform which identifies our school.

The support for the current colour theme of navy has been very evident. To this end, we will continue with navy; the green option will now not go ahead.

I would however note that the offer of the free jumper for the start of the new term in September still stands. The orders that have already been received will automatically be converted to navy. If you have ordered additional jumpers but would like to reduce this order, please contact the school office.

A number of parents have asked about a logoed cardigan as an alternative to the sweatshirt. We have asked our supplier to provide a sample so that we can assess its suitability. I will advise on this shortly.

Once again, thank you for your support for Kingsfield and our continued drive to be a smart school with pride in our appearance.

Should you wish to discuss this matter further with me or have any other queries or questions about the uniform in general, please do not hesitate to come in and see me in school or contact me via phone or email.

Yours sincerely,

A. Robinson
